# Better Blueberries 101

Saturday, February 12, 2022

10:00 a.m. – 12 noon

O.P. Owens Agriculture Center

455 Caton Road, Lumberton

As a homeowner, would you like to know how to increase your harvest and the size of your blueberries? Are you comfortable with pruning your blueberry shrubs? Come and learn the best practices for your blueberries regarding soil pH, fertilizer requirements, pruning practices, and variety selection for our area.

Due to Covid restrictions face masks are recommended. Possible pruning demo following the class presentation. Dress appropriately for the weather as this will be held outside.

The class will be limited to 25 participants. The registration deadline is **Thursday, February 8 by 5 p.m.** To register use the following link: <https://go.ncsu.edu/betterblueberries101>

For more information or to register, contact Mack Johnson, Extension Horticulture Agent, at 910-671-3276 or [mack\\_johnson@ncsu.edu](mailto:mack_johnson@ncsu.edu).

*Accommodation requests related to a disability should be made by January 28 to Mack Johnson.*
