## Register Today for a Summer of Fun!

Robeson County 4-H is happy to announce our summer programs and activities for 2025. We invite you to join us for a fun and exciting summer of learning. The summer program has activities for all youth between the ages of 5 and 18. Membership in 4-H is not required, however, 4-H members will receive the first opportunity to sign up for programs, thru March 30.

On April 1, the program will open to the public for general enrollment. Below is a description of the summer programs available through Robeson County 4-H. You will find descriptions about the programs, the dates, and the costs. There is a minimum number of children who must sign up for some programs, as well as a maximum number on most programs. Unless otherwise indicated, all camps will be held at the 4-H office. We are able to provide these programs at a reasonable cost thanks to funding support from Lumber River United Way.

### Enrollment

To register, sign up and pay through Eventbrite. Registration will be handled on a first come, first served basis, and will only be accepted upon receipt of fees. Telephone, electronic, faxed, and mailed registration will not be accepted. Registration will continue until the camps are filled, or two weeks prior to the start date to make sure we have time to purchase supplies and make final reservations for field trips. All ages for registration are based on the child's 4-H age, which is how old they are on January 1, 2025. Please contact the 4-H office at (910) 671-3276 with any questions.

Accommodation requests related to a disability should be made when you register your child, by calling the 4-H office at (910)-671-3276. We ask once you register, you fill out the paperwork on 4-H Online if you don't already have an active profile. Youth must be registered in this system prior to attending any 4-H Summer Fun event. If you have questions or problems with registering in 4-H Online, please contact Jade McNeill at (910) 671-3276.

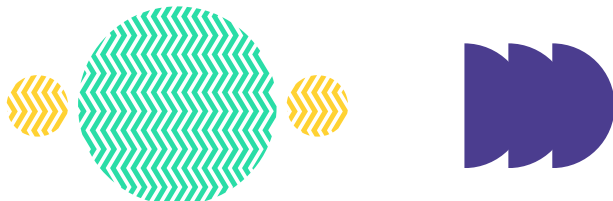

## Policies

- All fees are nonrefundable unless a camp is filled to capacity or canceled. Necessary refunds will be made appropriately.

- Punctuality of all participants is expected, particularly on days where field trips are scheduled. The van will only wait 5 minutes past the scheduled departure time. Punctuality of parents/adults/guardians picking up youth following programs is mandatory. Youth must be picked up at the time the program ends. If the 4-H staff members are required to care for your child more than 30 minutes beyond the indicated pick-up time, a fee of \$45 per 30 minutes will be charged.

- Although many of our experiences seem like great family activities, family members not registered for the program cannot travel or tour with us due to liability issues.

- If a camp is full, you can add your name to the waiting list, and we will contact you prior to the camp if a space becomes available.
